

# You Are Appreciated

Dear Resource Families,

While we are not celebrating Caregiver Appreciation Month in the same way that we have in the past, we are forever grateful, more than ever, for all that you do for the youth of Yolo County. Opening your homes in this unprecedented time to care for and heal our most vulnerable children and provide them with shelter and love during a time when they need it most, is not a task for the faint of heart. We recognize that we continue to ask the unaskable from you and see you step up each time to provide the comfort and care that our youth need. We hope that you are all staying safe and healthy during this time and know that we are carrying you in our hearts each day, honoring your compassion and willingness to keep children safe every day.

A huge thank you to our real life super heroes of Yolo County, our Caregivers!

We want to thank you for all you have done and your ongoing dedication to the youth and families of Yolo County. We would not be able to do our jobs without you!
